## EXPERIENCE

### **Viral Philosophy TikToker, Remote — Influencer, Content Creator**

JULY 2021 - Ongoing

Create and manage content for personal TikTok account with 18K following and over 500K interactions in the form of likes. My account is themed on the subject and field of philosophy, promoting it to TikTok's Gen-Z audience.

### **Freelance Writer, Remote**

JULY 2021 - Ongoing

I write, pitch, and create articles for publications. I have written for [Teen Vogue](#) and have also shared my writing on my viral philosophy TikTok account. I have been [featured in the LA Times](#), and in addition to my writing, been featured on Teen Vogue's TikTok account with 1.5M+ followers.

### **Myntor, Remote — Product Design Intern**

JULY 2021 - SEPTEMBER 2021

Myntor is an educational technology company that offers AI-based education to its students.

Worked alongside co-intern to delve into industry-based learning. Collected user data from Myntor users and utilized research data to develop a whiteboard feature for the Myntor's website.

### **Myntor, Remote — Production Assistant/Content Editor**

JANUARY 2022 - FEBRUARY 2022

Edited educational video content for Myntor using my skillset in Adobe Premiere Pro. Found B-roll footage for interview-style content and worked post-production to produce high-quality media.

### **Myntor, Remote – Growth/Social Media Intern**

JANUARY 2022 - JULY 2022

I wrote weekly marketing newsletters for users and created social media content for Myntor's TikTok to promote Myntor's online courses to a Gen-Z audience. I also wrote articles for Myntor's resources page. Raised user base for the company through growth analysis.
