Work Experience

Worship Team Member

Monica Park Christian Church - Garland, TX
August 2023 to Present

Volunteer Minister

New Life Church - Garland, TX
August 2021 to Present

Volunteer Advocate

NF Young Adult Advocacy Group, Littlest Tumor Foundation
February 2020 to Present

I have taken many positions as a volunteer advocate, from database data entry and management to guerrilla advocacy on Capitol Hill. I am experienced with working with other people to achieve a common goal. I have received significant experience managing databases as well, from working with the Whova CRM suite on a regular basis. I also use Zoom to communicate with my colleagues over broad distances to coordinate efforts of the Advocacy team.

Volunteer Fundraiser

Texas NF Foundation - Irving, TX
September 2014 to Present

Texas NF is a wonderfully dynamic fundraising team, lead by the amazing warm yet professional Cindy Hahn. We help people in the DFW and Houston areas deal with the struggles of a disease called Neurofibromatosis from the first point of diagnosis until either successful treatment or death. We also raise money for research into more effective treatment via the Laura Klesse Foundation locally and the Children's Tumor Foundation nationally. Our community of patient led volunteers is vibrant, diverse, and confident about our work.

Bishop/Senior Web Developer

SunriseNet Assemblies Global d/b/a Xtian Ministries - Rose Hill, TX
January 2012 to Present

I have been working on a set of websites and cloud services targeted at Christian religious organizations since the beginning of 2012, combining my passion for ministry and IT. The system is very much still a work in progress and is not finished by any means, however I hope to have it at least partially implemented within 6 months to a year. I use the LAMP stack, Cloudflare, Java, Bash, and various Linux infrastructure tools to make what happens happen. I also cooperate with several other similar ministries and several house churches.

Clerk

CVS Health - Garland, TX
